INSTRUCTIONS

1. The APAR is an important document. It provides the basis and vital inputs for assessing the performance of an officer and for his/her further advancement in his/her career. The officer reported upon, the Reporting Authority, the Reviewing Authority and the Accepting Authority should, therefore, undertake the duty of filling out the form with a high sense of responsibility.
2. Performance appraisal through APAR should be used as a tool for human resource development. Reporting Officer should realize that the objective is to develop an officer so that he/she realizes his/her true potential. It is not meant to be fault-finding process. Instead, it is intended to be a developmental one. The Reporting Officer and the Reviewing Officer should not shy away from reporting shortcomings in performance, attitudes or overall personality of the officer reported upon.
3. The columns should be filled with due care and attention and after devoting adequate time. Any attempt to fill the report in a casual or superficial manner will be easily discernible to the higher authorities.
4. If the Reviewing Authority is satisfied that the Reporting Authority had made the report without due care and attention he shall record a remark to that effect in Section IV. The Controlling Authority shall enter the remarks in the dossier of the Reporting Authority.
5. Every answer shall be given in a alpha / numeric form. The space provided indicates the desired length of the answer. No additional paper will be attached/pasted. Words and phrases should be chosen carefully and should accurately reflect the intention of authority recording the answer. Please use unambiguous and simple language. Please do not use omnibus expression like 'Outstanding', 'Very Good', 'Good', 'Average' and 'Below Average' while giving your comments against any of the attributes.
6. The Reporting Officer shall, in the beginning of the year set quantitative/physical/financial targets in consultation with each of the officers with respect to whom he is required to report upon. In the case of an officer taking up a new assignment in the course of the reporting year, such targets/goals shall be set at the time of assumption of the new assignment. The targets should be clearly known and understood by both the officers concerned.
7. Although performance appraisal is a year-end exercise, in order that it maybe tool for human resource development, the Reporting Officer and the Officer reported upon should meet during the course of the year at regular intervals to review the performance and to take necessary corrective steps.
8. It should be the endeavor of each appraiser to present the truest possible picture of the appraisee in regard to his/her performance, conduct, behavior and potential.
9. Assessment should be confined to the appraisee's performance during the period of report only.
10. Some posts of the same rank may be more exacting than other. The degree of stress and strain in any post may also vary from time to time. These facts should be borne in mind during appraisal and should be commented upon appropriately.

11. Guidelines regarding filling up of APAR with numerical grading:-

- (i) The columns in the APAR should be filled with due care and attention and after devoting adequate time.
- (ii) It is expected that any grading of 1 or 2 (against work output or attributes or overall grade) would be adequately justified in the pen picture by way of specific failures and similarly, any grade of 9 or 10 would be justified with respect to specific accomplishments. Grades of 1-2 or 9-10 are expected to be rare occurrences and hence the need to justify them. In awarding a numerical grade the reporting and reviewing authorities should rate the officer against a large population of his/her peers that may be currently working under them.
- (iii) APARs graded between 8 and 10 will be rated as 'outstanding' and will be given a score of 9 for the purpose of calculating average scores for empanelment / promotion.
- (iv) APARs graded between 6 and short of 8 will be rated as 'very good' and will be given a score of 7.
- (v) APARs graded between 4 and short or 6 will be rated as 'good' and given a score of 5.
- (vi) APARs graded below 4 will be given a score of Zero.

12. The following procedure should be followed in filling up the item relating to INTEGRITY:-

- (i) If the officer/officials integrity is beyond doubt, it may be so stated.
- (ii) If there is any doubt of suspicion, the item should be left blank and action taken as under:-
 - (a) A separate secret note should be recorded and followed up. A copy of note should also be sent together with the confidential Report to the next superior officer who will ensure that the follow-up action is taken expeditiously. Where it is not possible either to certify the integrity or to record the secret note, the reporting officer should state either that he has not watched the officer/official's work for sufficient time to form a definite judgement or that he has heard nothing against the officer/official, as the case may be.
 - (b) If, as a result of follow -up action the doubts or suspicions are cleared, the officer's/official integrity should be certified and an entry made accordingly in the APAR.
 - (c) If the doubts or suspicions ore confirmed, the fact should also be recorded and duty communicated to the officer concerned.
 - (d) If as a result of the follow up action, the doubts or suspicions are neither cleared nor confirmed the officer's conduct should be watched for a further period and thereafter action taken as indicated at (b) and (c) above.
